Re: Price Increase

Dear Valued Customer:

The producers of linerboard and medium have notified us of a \$40.00 per ton price increase effective with orders shipped on or after March 15th, 2024.

This containerboard increase, and other external increases beyond our control, have made it unavoidable and necessary for Budget Box Co. to increase all corrugated product prices by 8%.

Budget Box Co. would like to give you and your customers as much notice as possible to plan for this increase.

All increases will go into effect on orders shipped on or after April 1st, 2024. Lead times tend to lengthen in the days leading up to a price increase. Please, take these longer-than-average lead times into account when placing orders to receive pre-increase pricing.

We value and appreciate your ongoing support and look forward to continuing to provide you with the quality and service you have come to expect.

Sincerely,

David M. Wiens
General Manager
